Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Saturday 17 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine, dry, and very warm, but cooler further north.

Today:
A fine, dry day with plenty of sunshine, but becoming a little breezier in the far north during the afternoon. Feeling very warm in the sunshine, and hot in places. Maximum temperature 28 deg C (82 deg F).

Tonight:
Staying fine and dry with long clear periods. There is the likely potential for low cloud or fog to form overnight in places, especially further west. Feeling mild. Minimum temperature 12 deg C (54 deg F).

Sunday:
Another sunny and very warm day for most after any early fog or low cloud clears. Cloudier in the north where it will be feeling cooler. Maximum temperature 26 deg C (79 deg F).

Outlook for Monday to Wednesday:
Cloudier with the risk of the odd sharp shower from Monday to Wednesday but feeling warm to very warm with plenty of sunny spells.
